

Summer 2010

Dear First-Grade Parents,

I am looking forward to working with you and your child during the next school year.

Along with the math-skills book and summer reading assignments, I would recommend that you take some time to practice the following skills:

Sight Words

Counting

Basic math facts

Handwriting

Knowledge of one's birthday and address

Page turning in books

These skills will enable your child to have a positive transition from kindergarten to first grade.

Sincerely,

Mrs. Wolff

Grade One  
Summer Reading Requirements 2010

---

- 1) Choose three books (2 fiction and 1 nonfiction). The children may read the books themselves or be read to by an adult.
  
- 2) Complete one book report for each book. Use the book report forms provided. You will find the directions on how to complete each form on the backside of the sheet. Please help guide your child, but make sure that the reports are his/her original work. The book reports are to be completed by the children.
  
- 3) Upon returning to school in August, the book reports are to be handed in to the homeroom teacher. These book reports will be included in the first-trimester reading evaluation.

## Grade One Summer Word List 2010

---

Please make flashcards and practice these words this summer.

a in not there

the it do to

can but what up

at look one get

I see two and

am my three where

like we red you

is little yellow that

big have blue go
