

Summer 2010

Dear Parents,

In order to maintain and strengthen your child's abilities, the second-grade Reading teachers are requiring that your child read at least three books over the summer. We recommend that they read books from the Accelerated Reader List which can be found on the school website under PK-8 Homerooms. (Students may select books from the first- or second-grade lists.) They will complete three book reports on the forms provided. Students should use their best handwriting, and they are encouraged to neatly color the pictures (do not color over the words). The book reports are to be submitted on the first day of school. Thank you for your assistance.

Enjoy your summer!

Sincerely,

Mrs. Susan Taylor
Mrs. Marilyn Donohue
