

Summer Reading 2011

Dear Fifth Grader,

This summer you will be required to read two books. One of the books is My Father's Dragon by Ruth Stiles Gannet. The other is Island of the Blue Dolphins by Scott O'Dell.

After reading each book, you will complete the appropriate activity page. I hope you like these books as much as I do. My Father's Dragon is the first in a trilogy. I will read the second book, Elmer and the Dragon, to the class as our first read aloud.

These books are both on the Accelerated Reader list. You will be able to take the tests sometime in the first few weeks of school.

I hope you have a nice summer, and I look forward to reviewing your books with you in August.

*Mrs. Jones*
