Summer Reading and Math Requirements

1. Choose three books (2 fiction and 1 nonfiction). Children may read the books themselves or be read to by an adult.
2. Complete one book report for each book. Use the book report forms provided. (See Summer Reading on School Website) You will find the directions on how to complete each form on the backside of the sheet. Please help guide your child, but make sure that the reports are his/her original work. **The book reports are to be completed by the children.**
3. Upon returning to school in August, the book reports and math workbooks are to be handed in to the homeroom teacher. These will be included in the first trimester evaluation.
